## Evocation to God

Father Mother God, the embodying presence of all life, let the forces within me now become adjusted and attentive to your divine prompting that I will always be awake to the power of your spiritual presence.

Father Mother God, lift my entire life into conscious union with you, renewing me daily in the spirit of love, forgiveness and fullness of joy.

From this body temple of me in which you live, let your goodwill shine forth through my aura, redeeming, consecrating and perfecting all I see, touch and relate with.

All of the holy thoughts of my Father Mother God take up the wings of the wind and in the flash of lightning minister as angels to my soul. God you are the light, the power and the eternal blessing. In you I live always and to you be the all glory forever. Amen.

## Call To the Higher Self

From the centre of the universe within the vastness of my soul, I evoke thee to come forth Oh God of all life, all wisdom, all power, all love, and all splendour to flourish through my laudable undertaking. I am one with thee Oh Great Spirit of Spirits because the fullness of you embodies my soul. Let your power, love and presence shine radiantly through me guiding all my ways and divine ambitions to reveal the brightness of the day.

Abiding in the centre of you, most adorable God, my will and courage are energized by your dream of beauty and power. My ways are filled with the holy influence as I give expression to all your divine attributes within me. In union with you and as your power always works through me, nothing in the entire universe opposes my good; all things work for the fulfilment of my will.

The spirit of the air is ministering the life presence of God to me, renewing my soul, mind and body. The spirit of the fire is ministering God's transforming and transmuting grace through me, making me bright; and I absorb holy learning from pain. The spirit of the water is ministering God's restoring grace through my life and I am ever purified and reborn with the fullness of the God presence. The spirit of the earth is ministering God's stabilizing love in my soul.

In the fullness of my Godhood, and radiantly perfect in the midst of the elements, I successfully create my will to the glory of God. Oh God, the flame of your divine love and wisdom purifies my mind and will. And you have become the health of my soul, mind and body. All of life is assembled working for my highest good and my life is become the never-ending ever revealing glory of your mighty magic presence.

I take authority over my life and bless every condition I go through to reveal greater good in my life.

To you Oh Father-Mother God the most holy, who is the vastness of my soul, be all praise and glory throughout the ages. To your name be might and power without end. Amen and Amen.

## The Etherean Psalm

My body is the Temple of the living God; and the Spirit of God dwells in me. The perfect power within me, knows how to make my body function perfectly. As I choose wholeness in mind and body, I am made every whit whole. I thank God for radiant health in every cell, tissue and organ of my body.

I turn away from patterns of past failures. All of the power in the universe is mine to use. The infinite intelligence within me guides and directs my every endeavour towards certain success. I am not alone. The infinite love within me is all that I need. As I give this love forth to all mankind, it returns to me as perfect right companionship. The love I give away I keep. I find peace of mind through trusting God. I give over every anxious thought to the perfect power within me, knowing that this power is all-knowing and all-powerful. As I place my security in God, perfect right action is established in my life and affairs.

I am planting a thought seed for perfect right employment for myself. As I plant this seed in the creative medium of life, all of the power of the universe goes to work for me. I am led to the right people and provided with right ideas. My perfect position is drawn to me now. I am protected at all times and under all circumstances. God, who created me, at the centre of my being, knows how to protect and guide me so that no harm can come to me.

I have no enemies; I am at one with all of life. I am protected always. I forgive myself for all the mistakes and confusions of the past. I wipe the slate clean and begin anew. The perfect power within, expresses through me, right thoughts and attitudes that produce right action in my life. I choose a new life today.

And so it is, Amen.

# Songs for Crystal Prayers

## Thou Whose Almighty Word

1. Thou whose almighty Word  
Chaos and darkness heard,  
And took their flight, Hear us, we humbly pray  
And where the Gospel day  
Sheds not its glorious ray,  
Let there be light!
2. Thou who didst come to bring  
On Thy redeeming wing  
Healing and sight,  
Health to the sick in mind,  
Sight to the inly blind,  
O, now to all mankind,  
Let there be light!
3. Spirit of truth and love  
Life-giving, Holy Dove,  
Speed forth Thy flight;  
Move on the waters face,  
Bearing the lamp of grace,  
And in earth's darkest place  
Let there be light!
4. Holy and blessed Three,  
Glorious Trinity,  
Wisdom, Love, Might;  
Boundless as ocean's tide,  
Rolling in fullest pride,  
Through the world, far and wide,  
Let there be light!

## Now Thank We All Our God,

1. Now thank we all our God,  
With hearts, and hands, and voices,  
Who wondrous things hath done,  
In whom His world rejoices,  
Who, from our mother's arm  
Hath blessed us on our way  
With countless gifts of love,  
And still is ours today.
2. O, may this bounteous God  
Through all our life be near us,  
With ever joyful hearts  
And blessed peace to cheer us;  
And keep us in His grace,  
And guide us when perplexed,  
And free us from all ill  
In this world and the next.
3. All praise and thanks to God  
The Father now be given,  
The Son, and Him who reigns  
With them in highest heaven;  
The one eternal God;  
Whom heaven and earth adore;  
For thus it was, is now,  
And shall be evermore.

## Etherean Grace

The eternal grace of God abounds within my soul. And as the flower unfolds its radiant beauty, so do I unfold the divine attributes of the living God. I am whole, I am complete and God-directed always; And so it is. Amen

## The Etherean Creed

I believe in One sacred and ineffable Father-Mother God; who is above all, within all and through all units of life seen and unseen. And I believe in one Life the fountain of all life, of whose breath we are created, in which we abide and to which we shall return.

I believe in the Mystery and the spiritual beauty of my life as the unfolding presence of God on earth filled with all power and possibilities.

I believe in the Ever-transforming wisdom and stabilizing strength of God as an ever-happening grace in my life.

I believe that through this transforming wisdom and stabilizing strength, I am constantly being reborn and unfolding more of the presence of God on earth.

I believe in the Universal Brotherhood of life; in the knowing that I am inseparably linked with all beings of the past, present and the future.

I believe that my life and all of life, is the embodiment of truth and love ever unfolding and establishing perfect beauty. And I confess my life as One, Eternal, that was, Is, and ever shall be. Amen.
